McDonald, for Wells River, pitched a good game, passing only one man and striking out nine. In the seventh inning, by exceptional good throwing, the Lisbon catcher caught three men at second base. The new arrangement of men was a success and while there were several errors made on account of the wet ball, yet they were all excusable. Lisbon played a good game and showed more life than on the former game. McDonald struck out nine men and allowed only six hits.

A stiff paste made with some powdered delatone and water and spread on a hairy surface about two minutes will, when removed, take every trace of hair with it. ## Mixed Summer Foods The Cause Of Much Indigestion

SUMMER days are days of careless living, kitchens too hot for cooking, cold lunches at the homes of friends, open-air picnics, with the result that many a family is down with indigestion.

Give the stomach and bowels a new start by taking a dose of a good laxative- tonic like Dr. Caldwell's Syrup Pepsin. Then put variety into your diet by eating more warm food. It is more easily digested.

A bottle of Syrup Pepsin can be bought at any drug store for 50c and \$1, the latter the family size. It acts so gently and safely that it can be given even to a baby in constipation, indigestion, "summer colds" and similar ills.

The formula on which Syrup Pepsin is based was written by Dr. Caldwell over 30 years ago. It is a combination of simple laxative herbs with pepsin that trains the stomach-muscles to do their work naturally so that medicines can again be dispensed with. Over 6 million bottles of Syrup Pepsin are sold by druggists every year. That is recommendation in itself.

If you have never used Syrup Pepsin, send your address for a free trial bottle to Dr. W. B. Caldwell, 480 Washington St., Monticello, Ill.
